A copy of the Notice is also attached. This response is filed within the two-month period set for reply without extensions of time. Accordingly, no extensions of time are necessary in conjunction with this response.

No fees are believed due in connection with this Response. However, if it is determined otherwise, the Commissioner is hereby authorized to charge the undersigned's Deposit Account No. 50-0206.

REMARKS

Sequence Listing

In reply to the Notice, and in accordance with the provisions of 37 C.F.R. §§ 1.821-1.825, Applicants submit herewith a substitute computer readable form (CRF) of the "Sequence Listing" on a 3½ inch diskette, in ASCII format as required by 37 C.F.R. § 1.821(e). Applicants also submit herewith a paper copy of the substitute "Sequence Listing", totaling fifteen (15) pages.

Support for the substitute sequence listing can be found throughout the specification and sequence listing as originally filed. In particular, support for the substitute sequence listing can be found, for example, at paragraphs [0095], [00121], [00123], [00125], [00140], [00146]. Accordingly, Applicants submit that no new matter is introduced into the specification by way of incorporation of the instant substitute sequence listing.

The undersigned hereby states that the content of the computer readable form of the substitute "Sequence Listing" and the paper copy of the substitute "Sequence Listing" submitted herewith are identical.

Conclusion

An indication of allowance of all claims is earnestly solicited. Early notification of a favorable consideration is respectfully requested.

Respectfully submitted,
